
CALL FOR INTERNS – ECONOMICS

About Esya Centre

The Esya Centre is a New Delhi-based technology policy think tank. The Centre's mission is to generate empirical research and inform thought leadership to catalyse new policy constructs for the future. More details can be found at www.esyacentre.org

Key Responsibilities

1. Deliver research and analytical assignments, including report writing, literature review, and data analysis.
2. Engage in extensive research in areas such as artificial intelligence, competition in digital markets, data protection and privacy, and other related areas of economic and technology policy.
3. Provide support for project-specific events, including on-ground/online surveys and outreach.

Preferred Skills and Qualifications

1. Pursuing or completed a Bachelor's in Economics/Statistics/Tech/Business.
2. Proficiency in Microsoft Office and working knowledge of at least one computational suite such as STATA, R, Python, or MATLAB.
3. Excellent written and verbal communication skills.
4. Ability to work simultaneously on multiple assignments and meet tight deadlines for the assigned projects.
5. Detail-oriented and eager to learn.

Application Requirements

Please email a CV, cover letter, and a writing sample to tamanna@esyacentre.org (with a copy to mohit@esyacentre.org) with the subject line "Internship Application: Econ/(Month/Year)/<Full name>."

The writing sample should reflect an ability to research and think critically (up to 3 pages). Only shortlisted candidates will receive a response. There is no deadline for applications, as we will hire interns on a rolling basis.

Other Relevant Details

1. Working Hours: Monday to Friday; 10:00 AM to 6:00 PM (Remote)
2. Compensation: Competitive
3. Duration of internship: The period of engagement is two (2) months with a possibility of extension upon mutual agreement.
